PRAYER FOR OUR FUTURE

Judy McLauchlan will continue to provide us with prayer points for our future. These are our prayer points for August:

- Pray for the leadership of both congregations that they will have wisdom and strength for the many decisions that have to be made and the many extra hours they will probably need to put in.
- Pray that the renovations will move ahead smoothly and that things like plans, building permits, contracts etc. will be forthcoming and work best for ongoing ministry of the merged parishes.
- Since we are stewards of the earth that God has given us, pray for the on-going discussions as to how to make our renovated building as eco-efficient as possible.
- Add any particular concerns which you have.

*Do not be anxious about anything, but in every situation,
by prayer and petition, with thanksgiving, present your requests to God.
And the peace of God which transcends all understanding
will guard your hearts and minds in Christ Jesus.*

Philippians 4: 6, 7
