POWERPOINT HELP NEEDED

Our weekly team of PowerPoint operators needs new members for this critically important role for our worship. If you would be interested in being part of the team contact church office or Keith Blizzard.

SALE AGREEMENT

It with both sadness and anticipation that the sale agreement for St Peter's Church was signed this week. The purchaser lives in TMR, and the site will be redeveloped in a way that enables the daycare to stay on this site, thus not losing daycare spaces in TMR. The sale price is \$3.3 million: 5% of this will go to the broker, and the remainder will be invested and managed by the diocese in the name of St Peter's, for our use. The closing date for the sale (therefore the latest date by which we need to leave) is May 31, 2019. This will allow us another Christmas season at St Peter's. We will be able to take with us items (such as stained glass windows and chairs) which are significant for us. In the months ahead Corporation will arrange a process for us to collectively grieve the loss of this space as we move into the next space and season of life for our community.
