LOGIFEM UPDATE - A NOTE FROM SALLY RICHMOND

Logifem opened its doors for the first time in December 1988, which means that this year we are celebrating our 30th birthday! What a great opportunity to look back over the last three decades to see how our services have evolved and to look forwards as we plan for the next decade. Although we are happy to be celebrating our anniversary milestone, it is disappointing that the need for services like Logifem is as present as ever. Downtown women's shelters report having to turn away 20-30 women per day and the waiting list for places at Logifem grows every week. We couldn't have arrived at our 30th birthday without the generosity of our supporters. Thank you for all that you do for Logifem. We hope to see you at our anniversary events in December! PRAYER FOR OUR FUTURE

Judy McLauchlan will continue to provide us with prayer points for our future. These are our prayer points for July:

- Thank God for a very positive 'yes' decision from both congregations which allows us to go ahead with specific plans for merging.
- Thank God for the new opportunity that He has given us and ask that He will show us how to use it to do His will and for His glory.
- Pray for those of us who are finding it hard to adjust to the new situation that we will let God show us His way.
- Pray for the leadership as they meet with our tenants to work out how they will be able to continue their worship during the coming months.
- Add any particular concerns which you have.

*Do not be anxious about anything, but in every situation,
by prayer and petition, with thanksgiving, present your requests to God.
And the peace of God which transcends all understanding
will guard your hearts and minds in Christ Jesus.
Philippians 4: 6, 7*
